Questioned by Counsel for Negroes.

Questions asked by counsel for the negroes in cross examination of Thomas Robbins, chief of police of Barrington, were taken as indicating that the defense was particularly interested in learning whether George W. Healis, Dr. Mohr's negro chauffeur, had a revolver on the night of the murder. Healis who was originally held on the

same charge as the other negroes, has since been allowed to plead nolo con-tendre to a charge of manslaughter,

and is expected to be a witness for

Chief Robbins in his direct exami-

ene of the tragedy, where they had brown their revolvers into the water. "Didn't Healis, the chauffeur, have

NEW YORK JEWELERS CHARGED WITH SMUGGLING Herman J. Dietz & Son Accused of Bringing Diamonds from Canada.

New York, Jan. 14.—Herman J. Dietz, who was a diamond dealer at 87 Nassau street, and his son, Charles Bietz, were placed on trial today before Judge Hunt in the criminal branch of the United States district court on charges of engaging in a conspiracy to smuggle diamonds into this country from Canada.

According to Roger B. Wood, assistant United States district attorney, who, with Samuel Hershenstein, is prosecuting the case, in the years 1911

uting the case, in the years 1911 914 diamonds in considerable nd 1914 diamonds in considerable cantitles were smuggled across the order from Montreal and other points in Canada. An investigation made by Frank Burke, secret service agent, re-vealed the fact that diamonds worth \$700,000 had entered the country with-

Diamonds ordered by Herman J. Dietz from ruenweig & Zimmer, of Antwerp, according to Mr. Wood, were sent in furtherance of the scheme to certain firm of pawnbrokers of Mon treal. The jewels, in \$25,000 lots, Mr. Wood says, were secretly conveyed across the international line by agents of the smugglers, who received from \$50 to \$100 on each trip. On occasion, the indictment charges, Dietz and his son personally brought diamonds over from Canada.

MAKING TEST CASE

OF EXPATRIATION. Arrest of Frank Caswell, Who Had positions on the evacuated peninsula.

Washington, Jan. 14.—The department of labor issued a warrant today for the arrest at Detroit of Frank Since the blowing up of the railroad bridges near the Greek frontier by the engineers of the entente allies Caswell, an American, discharged re-cently from the Canadian forces, to make a test case to have the United the engineers of the entente allies there have been no new develapments tending to show a change in the situation there. Nothing has come through concerning the promised attack by the Teutonic allies along the line leading to the base of the entente allies at Saloniki, but advices from the Macedonian scaport are that the British and French continue to land reinforcements there in large numbers. They hope to make of Saloniki a second Tyres in defensive strength.

Germany has notified Great Britain that as that government has declined States courts determine if an American citizen expatriates himself by en-listing in a foreign army.

The technical charge against Caswell is violation of the contract labor law in entering the United States to take employment at Detroit. The decision is expected to fix definitely the status of hundreds of Americans returning from earny savines abread

or hundreds of Americans returning from army service abroad.
Caswell, a native of Harrison, Me., enlisted with Canadian expeditionary forces last April, but was discharged in England for physical disability and returned to Canada. On an offer of employment at Detroit, he tried to renter the United States at Port Huron, Mich., but was excluded by the immigrant officers.

NEGRO TROOPS RAID HONOLULU TENDERLOIN

Five Hundred of Ninth Cavalry Wreck Places Conducted by White Persons.

Honolulu, Jan. 14 .- Honolulu's ten diers today as a result of a systema-tic raid latae last night which was participated in by approximately 500

tablishments conducted by white per-sons were wrecked, and many of them were looted.

Effects of the police force to quell States Infantry with fixed bayonets and a detachment of mounted scouts appeared.

The building in which tonight's accident occurred was of brick and iron construction and was known as the nitrate of ammonit crpstalking house. It was here nitrate was transformed from the crystal to the liquid form to be used in the manufacture of dynamite. The structure was completely demolished at an estimated loss of \$25,000. Officials of the company declared it was the first time they have had an explosion of this kind. They said it probably was caused by gas which had formed in the process of transforming the nitrate srystals. When the streets had been cleared, volver on the night of the murder, the district was left with soldiers on Healis, who was originally held on the The reason for the demon-

Plea for Preservation of Essential Elements of State and Federal Govern-

New York, Jan. 14.—An address by Associate Justice Charles E. Hughes of the supreme court of the United States, in which he made a plea for the preservation of the "essential elements of both state and federal govments, without permitting necessary local autonomy to be destroyed by the unwarranted assertion of federal power and without allowing state action to throw out of gear the regulsite machinery for unity of control in national concerns," was one of the chief features of the thirty-ninth annual meeting here today of the New York State Bar association.

FORMER SUBORDINATES

Until it Was Taken to a Reco Vault Yesterday Afternoon.

Rio Janeiro, Jan. 14.—The president has signed a decree reducing the imports duty on a number of North American products. The new duties, which are in effect as from Jan. 1 of the present year, show the following reductions from the tariffs now in force: 30 per cent. on wheat flour; 20 per cent. on condensed milk, articles of rubber included in article 1033 of the tariff laws, clocks and watches. of rubber included in article 1033 of the tariff laws, clocks and watches, inks (article 178 of the tariff law), ex-cept writing inks, varnishes, typewrit-ers, iceboxes, pianos, scales, windmills, caments, corsets, dried fruits and sence. In the letter he also said: "I have the deepest sympathy in every movement to bring the two Americas together and to unite as a real force in determining the international policies of the world, all the nations of this hemisphere. I am quite in accord with the suggestions of the present secretary of state to this end, and I sincerely hope that out of his suggestions some closer bond between those nations may be created." AGED FEMALE RECLUSE APHYXIATED BY SMOKE. Rockville, Conn., an. 14.—Mrs. Mary A. Roe, an aged recluse, was overcome by smoke when her home on the outskirts of the town caught fire tonight and she was found dead by neikhbors. In one hand was tightly clutched \$100 in bills, while in the other she held some bank books. It is presumed that she was overcome while hurrying out of the house. The fire, which started from a stove, was extinguished without great damage.
